

3TIER Latin America: Panama City, Panama

Systems Administrator

3TIER S.A., a private provider of resource assessments and forecasts for the weather-driven renewable energy industry, invites applications for a full-time systems administrator for its office in Panama City, Panama.

We seek a highly motivated individual who will maintain 3TIER S.A.'s IT and computing infrastructure, including all computer hardware, data connections and supporting electrical and mechanical systems (such as electricity demand balancing, battery backup, air conditioning) as well as all systems level software that forms the functional basis of 3TIER S.A.'s forecasting and assessment systems (e.g. linux, http, ftp, sql, ssh, dns, tape backup, etc).

The individual will assist in the development and implementation of system level applications in support of 3TIER S.A. forecasting and assessment operations, including data acquisition software, cluster management software, and backup system software. The individual will provide technical support and documentation to 3TIER S.A.'s users for both hardware and software. This individual must be able to work on multiple projects with limited supervision.

Minimum requirements:

- BSc in Computer Science, Computer Information Systems, or related field
- 2+ years experience in systems administration in a mixed windows, MacOS and UNIX/linux environment
- Ability to self-manage projects
- Ability to work semi-independently in a team-oriented atmosphere where close and effective coordination with other professionals is essential for success
- Excellent oral and written presentation skills
- Excellent written and verbal communication
- Bilingual in Spanish and English, both spoken and written

Preferred skills:

- 5+ years experience in systems administration
- Support of in web-based applications
- Experience operating in a cluster environment
- Small team management experience

Other Requirements:

- Valid passport with visa for United States

3TIER S.A. offers a competitive salary and benefits package and actively supports professional development activities. Applications should include a resume and cover letter. Names and contact information for one personal and three professional references to be provided upon request. Applications should be sent by e-mail in PDF format to careers-latinamerica@3tierrgroup.com with the subject heading "systems administrator".
